

Tredington & Blackwell W.I.
was established in 1928.

Since 1932. we have owned and managed the WI Hall, which remains the only Community Hall in Tredington

Our annual programme includes WI meetings, outings, social events, craft workshops, film nights and speakers, all open to our local community.

We also host fundraising events, quizzes, celebrations, specialist classes and private hire.

With a rich mix of topics and experts, we provide education, creativity and entertainment in a sociable environment.

Our members come from a wide area – not limited to residents of Tredington or Blackwell.

Why not invite a friend, colleague or neighbour to one of our meetings.

Our Open Meetings, and many other events, are open to all.
